

Christ for the Philippines Mission

AV1611

Therefore watch, and remember, that... I ceased not to warn everyone night and day with tears. Acts 20:31

Tony & Ypille Tirse,
Missionaries to the Philippines

September - October 2011

Greetings in the Name of our blessed Saviour!

The last two months have been the most exciting for us so far. Bro. Tony, Bro. John Claypool and Bro. Daniel Hayes went on the survey trip to the Philippines from Sept. 12 -29. The details are given in the right-hand column-->

Our survey trip was amazing! We were able to preach to over 1,700 students in seven different high schools and saw over 800 come to Christ! In all we

preached to over 2,500 people during our trip and saw 879 souls come to Jesus Christ as their personal Saviour. I was given the privilege to baptized my first convert as a missionary on the field.

We have established relationships with several of the local pastors and their churches who are excited about the burden God has laid on our heart for their people. I was able to meet with the mayor of Babatngon who was very receptive to the idea of a new Baptist church there.

The people of Babatngon were very open to me and were delighted at the coming of a missionary to plant a New Testament Baptist church in their town. Please see the videos I have posted on my website.

I also found a piece of property, approximately 3.1 acres in Babatngon that I can purchase for... \$5,000.00. I'm so excited about this prospect as I see God opening the doors for this ministry. Won't you consider partnering with us on this most noble venture for the kingdom of our worthy Saviour Jesus Christ? 879 souls in two weeks by the power of God. What will He do next? What will He do through YOU next?

Because He lives,
Tony Tirse

We want to thank those churches who were an encouragement to us by having us come and present our burden (God's burden) for the people of the Philippines. These churches will abound in fruit for the kingdom because of their kindness, generosity, and their prayers. So many churches today are afraid to let missionaries come through their doors, they are missing out on great blessings for God and have left their first love.

We are getting ready to take our deputation out of state and have begun to make appointments outside of Florida beginning in January. We would love to visit any churches in Florida who have not had us yet within the next two months if possible. Please pray for our safe travel as we will be going as far out across the U.S. as the Lord leads us. We are starting with Alabama and will be spending most of January there.

Here are some highlights from the last two months:

- The survey trip was completed in September.
- We knocked over 200 doors in Spring Hill as part of our home church's soul-winning teams.
- Have preached/presented in eight churches in Florida and have started scheduling meetings in other states.

Prayer Requests:

- For our home to be sold so that we may leave at the Lord's bidding
- For traveling mercies
- For churches to pick us up for prayer/financial support
- For prayer warriors to be burdened for us
- For many more souls to be saved as a result of this ministry
- For churches and brethren to be blessed and encouraged as a result of this ministry

Current Needs:

- We need a small travel trailer to go on deputation out of state for extended periods
- The hearts of churches to be moved to take on this ministry that has *already* borne fruit for God's kingdom
